

AIST represents individual members in the iron and steel community from more than 70 countries around the world. Through active networking at the chapter level, AIST members benefit from the interchange of ideas and solutions with others from the local iron and steel community. Visit AIST.org to learn more about Member Chapters.

Recent Member Chapter Events

Middle East North Africa Member Chapter

The AIST Middle East North Africa (MENA) Member Chapter conducted a rolling mill webinar on Wednesday, 22 June 2022. Chapter program chair **Ashraf Hanna**, director primary metallurgy, RHI Magnesita, organized the event for the 40 registered attendees. The webinar presented recent innovation ideas, trials, and developments in rolling mill technology and applications from professionals working in the MENA region.

Moderator:

- **Mohamed Shahtout**, Manager — Continuous Improvement — Mega Projects, Emirates Steel.

Presentations:

- “Boosting Technology Packages for the Production of Premium Rebar,” by **Ricardo**

Masini, Head of Sales and Service, Pomini Long Rolling Mills.

- “The New Rolling Technology in MIDA Plant,” by **Khaled Taha**, Beni Suef Plant General Manager, Egyptian Steel.
- “Latest Achievements on Rolling Mill Technology for the Production of Bars, Wire Rods and Profiles,” by **Andrea Diasparro**, Vice President — Key Account Management, Danieli & C. Officine Meccaniche S.p.A.
- “Introducing and Production of New Steel Grade in Egyptian Local Market B500DWR,” by **Maged Eltonsy**, EFS Rolling Mill Rebars Executive Manager, EZZ Steel.

Midwest Member Chapter

On Monday, 13 June 2022, the AIST Midwest Member Chapter held a golf outing at the Sand Creek Country Club in Chesterton, Ind., USA. A total of 208 golfers enjoyed

a day of fellowship and friendly competition, with the foursome from Connors Industrials Inc. winning the day.

The first-place team from Connors Industrials Inc. captured by their winning score at the Midwest Member Chapter’s golf outing on 13 June 2022 (left to right): Shawn Long, OxyLance; Dan Barczak, HarbisonWalker International; Thomas Cope, The Progress Group; and Michael Cope, Connors Industrials.
